# Automated Wire Transfer Solution

## Wire transfer: integrated, seamless, and quick

CUTEK's Automated Wire Transfer Solution automates the entire electronic wire transfer process. Simply fill out the form electronically and the Symitar™ Episys® system kicks into gear forwarding the transfer data from the teller to the credit union's manager and to the accounting department. When the entire process is complete, funds are electronically and securely transferred, while other appropriate member transactions are automatically processed.

### Features:

- Automated Wire Transfer form (SymForm)
- Upload to Fedline PC / website
- OFAC / ABA validation
- Posting of appropriate transactions
- Workflow / queueing system
- Dual approval for wire limits:
  - new teller approval \$10,000 wire
  - established teller approval \$1 million wire
- Fed approval for foreign and domestic wires
- Support for digitized signatures and direct storage for imaging
- Unlimited workflow
